nono

NONO is a Mexican design brand with more than 10 years of experience dedicated to produce interior furniture, editions and custom made projects. In NONO we create pieces of extraordinary beauty meeting the singularity of each client with exclusive high quality designs.

The essence of NONO lies in the sensory of each of its shapes.

The trace of each piece follows a rhythm that delicately sculpts the most imposing forms to reveal the personality of every NONO piece. Each of our collections possess its own voice through its curves, shades and finishes, finding a stimulating language to make itself noticed in any space.

POGO

A playful piece that portrays elegance and humor in a perfect rounded fiberglass shape. POGO is a charming piece that fills up the room with a youthful energy and a subtle bliss. Available as a decorative piece or with a table top in a diversity of cheerful colors. POGO is the perfect accent to dull spaces.
